

Hervé Gomichon
Quality Director
CARREFOUR GROUP, France

Hervé graduated with a doctorate in Veterinary Medicine. From 1989 to 1991 he was a consultant at Bureau Veritas, working on hygiene and quality for food products at both factory and retail level, using Standards such as HACCP, ISO and GPH.

From 1991 to 2001 he held a number of positions at Fromageries Bel, including Process and Production Engineer, Production Manager, Head of R&D for Fresh Products and Technical Associate. He also spent some time in the B to B department.

Hervé was with Carrefour Marchandises Internationales from 2001 until mid 2008, working on European private label products, providing international support at a group level in matters of hygiene and quality. He has since joined the Carrefour Quality Group.

Hervé is also a member of the AFSSA board and a teacher at Dauphine DESS on sustainable organisation for companies.
